

University Court Members - Skills Matrix

The Skills Matrix is a tool prepared for members of the Governance and Nominations Committee and is used to inform succession planning and committee membership matters.

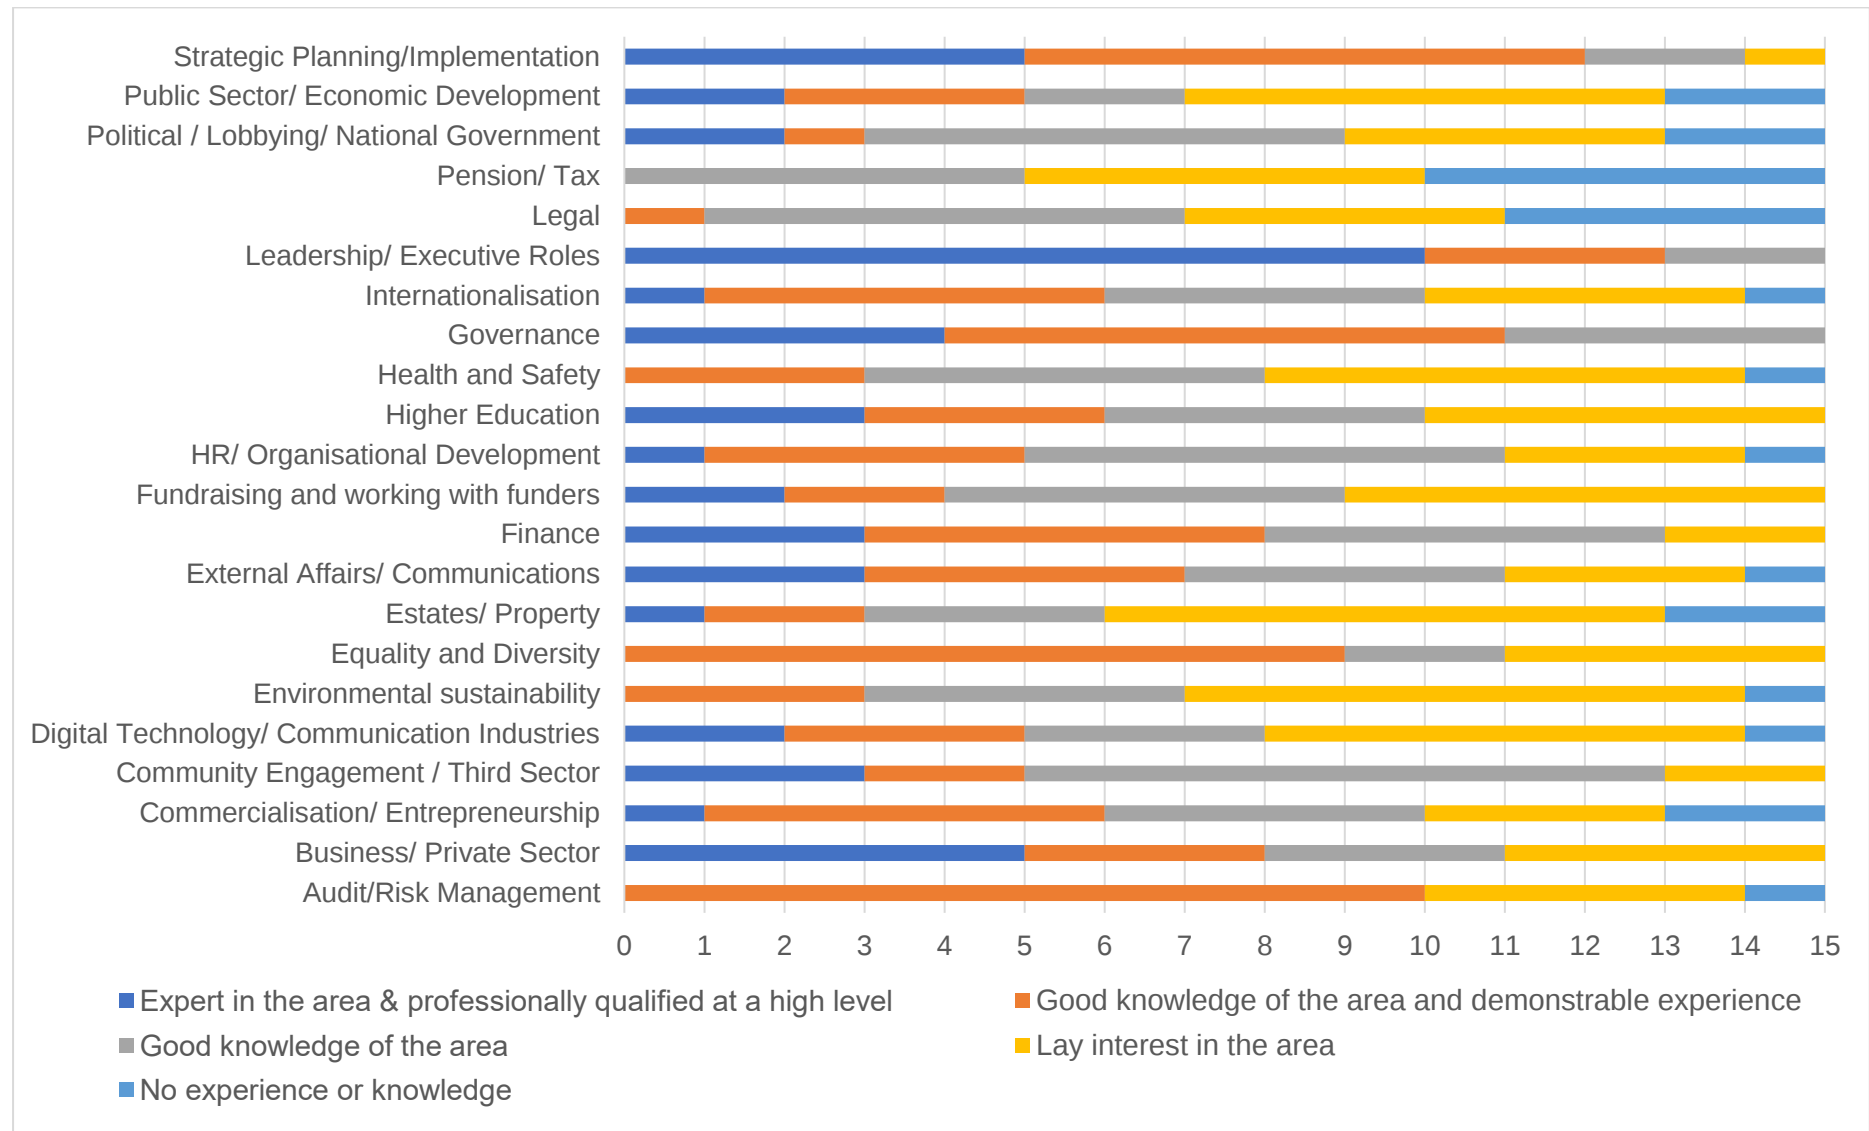

Returns are submitted by members at the time of joining Court by all non-executive Court members. The two ex-officio members, the Principal and Vice-Chancellor and the Deputy Principal and Deputy Vice-Chancellor are not required to complete a return.

The questions were reviewed and approved by the Committee in December 2022.

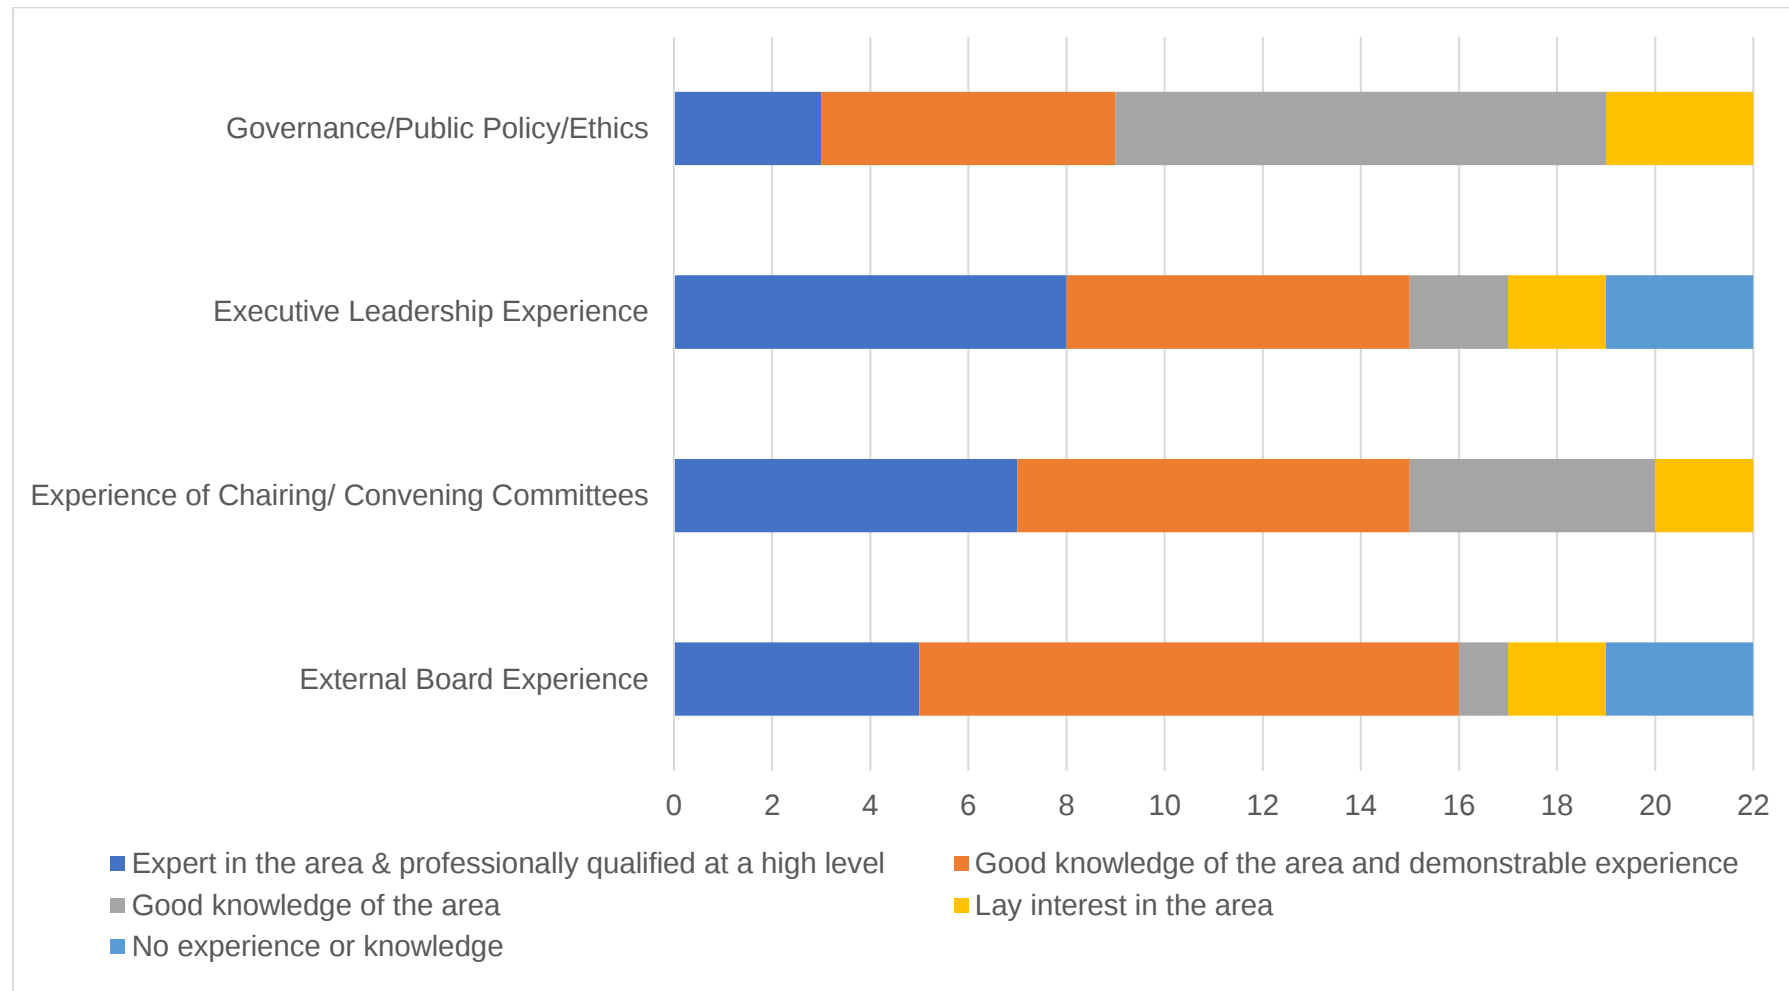

Sector Experience – Non-Executive Court Members

Sector Experience – Independent/Lay Members of Court

Governance Experience – Non-Executive Court Members

Core Skills and Knowledge – Non-Executive Court Members
